Brian:

We are available to meet and discuss the schedule for sampling for the Falcon Refinery site anytime in February except as listed below. We ask that you provide a week or so notice so we can make the necessary arrangements.

February Conflict Dates

7th – 8th

11th – 12th

28th – March 1st

Bob

Can you please tell me when you would be available for a meeting to discuss the schedule for sampling for the Falcon Site. I also would like to know if you have compiled the existing data into an Excel Spreadsheet or if you are planning to do that.

thanks
